CONFERENCE SCHEDULE
INTERNATIONAL MEDICAL DEVICE EXHIBITION AND CONFERENCE (IMDEC 2024)

DAY 1 – TUESDAY, 10 DECEMBER 2024

8:30 am – 9:30 am : Registration & Morning Refreshment

MORNING SESSION THEME: EMPOWERING MALAYSIAS A MEDTECH HUB

9:30 am – 10:00 am : **Keynote Speech:** Malaysia as Preferred MedTech Hub in Accordance with New Industrial Master Plan 2030 (NIMP 2030)
 Speaker: YB Senator Tengku Datuk Seri Usama Zahri bin Tengku Abdul Aziz, Minister of Investment, Trade & Industry Malaysia

10:00 am – 10:45 am : **Panel Discussion - Empowering Malaysia as Medtech Hub**
 Moderated by Mr. Ching Choon Seng, Executive Director of Association of Malaysian Medical Industries (AMMI)

Panelists:
 1) Mr. Christian Kaciachka, Senior Vice President, Operations and Head of Centre of Excellence IV Access, B. Braun Medical Industries Sdn. Bhd.
 2) Mr. Faughal Hennessey, Vice President, Operations, Boston Scientific Medical Device (Malaysia) Sdn. Bhd.
 3) Mr. Samuel Poonakaran, Vice President, Manufacturing, Cochlear Malaysia Sdn. Bhd.
 4) Mr. Daniel Lang, Director, Manufacturing, Insulet Malaysia Sdn. Bhd.

10:45 am – 11:05 am : **TEA BREAK**

11:05 am – 12:30 pm : **OPENING CEREMONY**
 - Arrival of YB Datuk Seri Dr. Dzulkefly Ahmad, Minister of Health
 - National anthem "Negaraku"
 - Opening performance
 - Recital of Doa
 - Welcome Remarks by YBrs. Dr. Muralitharan Parameswar, Chief Executive of Medical Device Authority & Chairman of Organizing Committee IMDEC 2024
 - Opening Speech by Chairman of GHWP, Dr. Xu Jinghe, Deputy Commissioner, National Medical Products Administration (NMPA), People's Republic of China
 - Opening Ceremony Speech by YB Datuk Seri Dr. Dzulkefly Ahmad, Minister of Health
 - Exchange of Memorandum of Understanding - between MDA & LHDN
 - Exchange of Memorandum of Understanding - between MDA & Universiti Malaya
 - Product Launching under MDA and Private Collaboration Initiative
 o Adventa Sdn. Bhd.
 o Advance Past Sdn. Bhd.
 - Token Appreciation to Guest of Honour

12:30 pm – 2:15 pm : **NETWORKING LUNCH & EXHIBITION VIEWING**

2:15 pm – 2:30 pm : **Plenary 1: Industry Knowledge Session - Local Medical Device Manufacturer Operating in Malaysia**
 Speaker: Mr. Johari bin Abu Kasim, Group Managing Director, Star Medik Sdn. Bhd. & President of PERANTIM

2:30 pm – 2:45 pm : **Keynote Speech: Sarawak as Regional Hub for Medical Device**
 Speaker: Ms. Lo Sheau Sia, Deputy Permanent Secretary, Ministry of International Trade, Industry and Investment (MINTRED) Sarawak

2:45 pm – 3:15 pm : **Panel Discussion moderated by Ms. Zalina Zainol, Deputy Chief Executive Officer (Investment Development) MDA**
 Panelists:
 - Ms. Lo Sheau Sia, Deputy Permanent Secretary, Ministry of International Trade, Industry and Investment (MINTRED) Sarawak
 - Mr. Johari bin Abu Kasim, Group Managing Director, Star Medik Sdn. Bhd. & President of PERANTIM
 - Dr. Hyzan Mohd Yusof, Chief Executive Officer, OSA Technology

THEME: ARTIFICIAL INTELLIGENCE IN HEALTHCARE

3:15 pm – 3:30 pm : **Plenary 2: Artificial Intelligence in Healthcare**
 Speaker: Ms. Hoo Ling Lee, Regional Chief Executive Officer (Central Region), KPJ Healthcare Bhd.

3:30 pm – 3:45 pm : **Plenary 3: Domesticating AI in Medical Device**
 Speaker: Professor Ts. Dr. Azween bin Abdullah Dauri, Faculty of Applied Science and Technology, Perdana University

3:45 pm – 4:00 pm : **Plenary 4: AI in Diagnostic Early Cancer Detection**
 Speaker: Dr. Muralitharan Muniandy, Managing Director, National Cancer Society Malaysia

4:00 pm – 4:15 pm : **Plenary 5: Smart, Digitalisation and AI Technology in Healthcare**
 Speaker: Dr. Josef Guenter Gross, Chairman, DewetClin Technology Group Co., Ltd.

4:15 pm – 4:45 pm : **Panel Discussion moderated by Prof. Dr. Noemie Bailin, Universiti Teknologi Malaysia (UTM)**
 Panelists:
 - Ms. Hoo Ling Lee, Regional Chief Executive Officer (Central Region), KPJ Healthcare Bhd.
 - Dr. Muralitharan Muniandy, Managing Director, National Cancer Society Malaysia
 - Dr. Josef Guenter Gross, Chairman, DewetClin Technology Group Co., Ltd.

 End of Day 1

DAY 2 – WEDNESDAY, 11 DECEMBER 2024

8:30 am – 9:30 am : Registration & Morning Refreshment

MORNING SESSION THEME: VALUE-BASED PROCUREMENT IN MEDTECH

9:30 am – 9:50 am : **Plenary 1: Enhancing Healthcare Systems for Economic Impact: The Role of Competency-Based Training in Meditech**
 Speaker: Mr. John Thatcher, Chief Executive Officer, Eastwood Park Training Centre

9:50 am – 10:10 am : **Plenary 2: Value-based Procurement in MedTech**
 Speaker: Dr. Pinali Ghosh, Vice-Chairperson, Market Access Committee, Asia Pacific Medical Technology Association (APACMed)

10:10 am – 10:30 am : **Panel Discussion moderated by Ms Ong Yean Ting, Head, Quality and Regulatory & Government Affairs of Roche Diagnostics (M) Sdn. Bhd.**
 Panelists:
 - Mr. John Thatcher, Chief Executive Officer, Eastwood Park Training Centre
 - Dr. Pinali Ghosh, Vice-Chairperson, Market Access Committee, Asia Pacific Medical Technology Association (APACMed)

10:30 am – 11:00 am : **MORNING BREAK**

11:00 am – 11:20 am : **Plenary 3: Government Procurement Policy for Medical Device**
 Speaker: Datuk Mohd Fauzee bin Abd Majid, Setiausaha Bahagian, Grid JUSA C, Bahagian Perolehan Dan Pensiwaan

11:20 am – 11:40 am : **Plenary 4: Strategic Purchasing**
 Speaker: Dr. Yusni Aris@Harris, Manager Strategic Purchasing Department, ProtecHealth Corporation Sdn. Bhd.

11:40 am – 12:10 pm : **Panel Discussion - Economic Impact of Medtech in Healthcare**
 Panelists:
 - Ministry of Finance Malaysia -TBC
 - YBhg. Datuk Mohd Fauzee bin Abd Majid, Under Secretary Procurement and Privatization Division, Ministry of Health Malaysia
 - Dr. Yusni Aris@Harris, Manager Strategic Purchasing Department, ProtecHealth Corporation Sdn. Bhd.

MENINGKATKAN ASPIRASI MALAYSIA:

IMDEC 2024 sebagai Pemangkin Kepimpinan Teknologi Perubatan Global

IMDEC 2024

Kuala Lumpur, Malaysia – 12 Disember 2024 Pameran dan Persidangan Peranti Perubatan Antarabangsa (IMDEC) 2024 menegaskan komitmen teguh Malaysia untuk merevolusikan landskap penjagaan kesihatan global. Sepanjang beberapa hari lalu, IMDEC 2024 bukan sahaja mempamerkan keupayaan negara tetapi juga menunjukkan aspirasi untuk menjadi peneraju dalam teknologi perubatan dan inovasi penjagaan kesihatan.

Dengan Malaysia menjadi tuan rumah Mesyuarat Tahunan Jawatankuasa Pengharmonian Global (GHWP) ke-28, peranan sebagai pemain strategik dalam kecemerlangan peraturan dan kerjasama antarabangsa semakin kukuh.

Wakil dari lebih 34 negara berkumpul untuk membincangkan penyelarasan rangka kerja yang sama, memastikan teknologi baru dapat diterima pakai dengan cepat dengan mengutamakan keselamatan pesakit.

YBRS. DR. MURALITHARAN
KETUA EKSEKUTIF MDA

NIMP 2030: MEMBINA MASA DEPAN INOVASI PENJAGAAN KESIHATAN

Fokus Malaysia terhadap inovasi penjagaan kesihatan selaras dengan Rancangan Induk Perindustrian Baharu (NIMP) 2030, yang meletakkan penjagaan kesihatan sebagai tonggak utama pembangunan mampan.

Tahun ini, peruntukan bersejarah sebanyak RM45.3 bilion untuk Kementerian Kesihatan dalam Belanjawan 2025 menekankan dedikasi kerajaan untuk memperkukuh infrastruktur kesihatan, meningkatkan kemahiran tenaga kerja, dan mengadaptasi teknologi generasi baharu seperti AI, IoT, analitik data, dan rangkaian 5G.

Pelaburan strategik ini bertujuan untuk meningkatkan perkhidmatan penjagaan kesihatan awam dan menjadikan Malaysia hab global untuk pembuatan perubatan berteknologi tinggi dan inovasi, sekali gus mengukuhkan kedudukannya sebagai peneraju dalam industri penjagaan kesihatan.

INDUSTRI PERANTI PERUBATAN: MEMBUKA PELUANG UNTUK PERTUMBUHAN

Pasaran peranti perubatan global, yang bernilai USD 550 bilion, berkembang pesat akibat kemajuan teknologi, peningkatan populasi warga tua di seluruh dunia, dan permintaan penjagaan kesihatan yang semakin meningkat.

Malaysia berada di landasan yang tepat untuk merebut bahagian penting dalam pertumbuhan ini dengan memupuk persekitaran yang kondusif untuk inovasi dan pelaburan.

Selain itu, pasaran AI dalam penjagaan kesihatan, yang dijangka berkembang dari USD 20.9 bilion pada 2024 kepada USD 148.4 bilion menjelang 2029, menawarkan peluang luar biasa untuk Malaysia menjadi peneraju dalam diagnostik berkuasa AI, teleperubatan, dan kecekapan operasi.

Inovasi dalam sektor ini bukan sahaja meningkatkan penyampaian penjagaan kesihatan tetapi juga meletakkan Malaysia sebagai peneraju global dalam teknologi perubatan termaju.

**MEMBERDAYAKAN
INOVATOR TEMPATAN:
LALUAN KE IMPAK GLOBAL**

**Pertandingan Inovasi
INNOMed yang
dikuasakan oleh
PERANTIM, yang
diadakan semasa
IMDEC, menonjolkan
bakat tempatan
Malaysia. Para inovator
membentangkan

INNOMED 2024

Kepimpinan ASEAN: Visi untuk Pertumbuhan Inklusif

Apabila Malaysia bersedia untuk memegang jawatan Pengerusi ASEAN pada tahun 2025, Malaysia bercita-cita untuk menerajui inisiatif yang mempromosikan pengharmonian peraturan, pembangunan keupayaan, dan kerjasama awam-swasta di seluruh rantau ini. Dengan pasaran penjagaan kesihatan ASEAN dijangka mencapai USD 740 bilion menjelang 2025, Malaysia berada dalam kedudukan yang baik untuk memimpin pertumbuhan ini.

Kepimpinan ASEAN: Visi untuk Pertumbuhan Inklusif

Dengan memperkuat rangka kerja dan mengutamakan pelaburan dalam akses penjagaan kesihatan dan inovasi, bertujuan untuk mengangkat ASEAN sebagai peneraju global dalam teknologi perubatan. Visi ini memastikan akses penjagaan kesihatan yang lebih baik, membantu pesakit mendapatkan akses yang lebih baik, dan ekosistem yang kukuh untuk pelaburan mampan.

Impak Ekonomi dan Sosial IMDEC 2024

IMDEC 2024 melangkaui inovasi—ia adalah bukti peranan penjagaan kesihatan sebagai pemacu pertumbuhan ekonomi. Dengan lebih 150 pempamer dan 10,000 pengunjung, acara ini menonjolkan daya tarikan strategik Malaysia sebagai destinasi pelaburan penjagaan kesihatan.

Dasar seperti offtake, yang mengutamakan pembuatan tempatan, memastikan pertumbuhan ekonomi kekal inklusif. Dengan memupuk ekosistem yang berkembang untuk AI, kesihatan digital, dan peranti perubatan, Malaysia sedang mewujudkan pekerjaan bernilai tinggi dan mengukuhkan reputasinya sebagai hab penjagaan kesihatan global.

Dasar seperti offtake, yang mengutamakan pembuatan tempatan, memastikan pertumbuhan ekonomi kekal inklusif. Dengan memupuk ekosistem yang berkembang untuk AI, kesihatan digital, dan peranti perubatan, Malaysia sedang mewujudkan pekerjaan bernilai tinggi dan mengukuhkan reputasinya sebagai hab penjagaan kesihatan global.
